MESSI

Lionel Messi is an Argentinian footballer widely regarded as one of the greatest players of the modern generation. He plays for FC Barcelona and the Argentina national team. He has won FIFA world player of the year four times. He has often been described as Diego Maradona's successor because of his prolific goal scoring record and ability to dribble past opponents. Not only is he one of the best players but has broken many other records.

I mean how rhymes can you come up with the music era. Its best to say its getting repetitive. With that said people are now focusing on how the songs beats and sounds go along rather than lyrics. That is why electronic music like techno is getting and more popular. As crazy as it might sound, people finally want to dance again like the first eras of disco. In 2018, Billboard released a market statistic that proved the value and worth of the electronic dance music market. In this statistical statement, the company shows a 12-percent growth within one year where many changes took place with this musical revolution. EDM has since been incorporated in various genres and subgenres.
