MESSI

Lionel Messi is an Argentinian footballer widely regarded as one of the greatest players of the modern generation. He plays for FC Barcelona and the Argentina national team. He has won FIFA world player of the year four times. He has often been described as Diego Maradona's successor because of his prolific goal scoring record and ability to dribble past opponents. Not only is he one of the best players but has broken many other records.

professional footballer who has United, Real Madrid and Portugal. Along with Lionel Messi, he is regularly considered one of the top two players in the world. He became the world's most expensive player when Real Madrid signed him for 94 million Euros in 2009. His sustained performance has enabled him to break numerous records for goal scoring and has been named FIFA player of the year five times. He has become an iconic figure in the sport.

Cristiano Ronaldo is a Portuguese professional footballer who has played for Manchester United, Real Madrid and Portugal. Along with Lionel Messi, he is regularly considered to be one of the top two players in the world. He became the world's most expensive player when Real Madrid signed him for 94 million Euros in 2009. His sustained performance has enabled him to break numerous records for goal scoring and has been named FIFA player of the year five times. He has become an iconic figure in the sport.

People have very different options when it comes to music now a days. There can be all types of genres you can choose from; but do you listen to techno? lets just say techno is a bit hard for some people to enjoy. Most people enjoy lyrics while some are just about beats. As crazy as it might sound most people now consider lyrics just mixed up. I mean how many more lyrics can you come up with- thought the music era. Its best to say its getting repetitive. With that said people are now focusing on how the songs beats and sounds go along rather than lyrics. That is why electronic music like techno is getting and more popular. Electronic started in Paris, France around the EDM stands for Electronic Dance Music, it of electronica which is generally made intention of being

ics. mu- more music 1940s. is a form with the danced to, making it generally club friendly and often an up tempo in nature. As crazy as it might sound, people finally want to dance again like the first eras of disco. In 2018, Billboard released a market statistic that proved the value and worth of the electronic dance music market. In this statistical statement, the company shows a 12-percent growth within one year where many changes took place with this musical revolution. EDM has since been incorporated in various genres and subgenres.
